„Captain and crew were so kind and helpful to us - I will be forever grateful. They came up with options to get us home, booked overnight water taxis so we could catch a flight, etc. The captain's willingness to jump into action for us was incredible and endearing. Now on to the fun stuff - we are having the BEST BEST time! We got so lucky with the weather. It's been just wonderful out. The boat is beautiful, the accommodations are perfect for our group and the crew is amazing! Each day has been better than the last. Thank you again for all your help! This has been a wonderful charter so far.”
