„The trip was so much fun. A very unique destination that was for sure and our families really enjoyed it. Quite different than the other trips we have done, but we embraced the remoteness, amazing people, culture, beautiful country, and islands. The boat was top-notch and better than our expectations that is for sure. The crew is very professional, the chef quite good, and all took care of us very well. Thank you for all the hard work I appreciate you!”
